

From the VRA Council

The VRA wishes to advise members of several immediate and planned changes in the VRA Council and Management of the Association

Geoff Evans Resigns as VRA Chairman.

On Thursday 23 October 2014, Geoff Evans resigned from the position of VRA Chairman and VRA Councilor for personal reasons. Geoff has served a period of four years on Council of which two years was in the demanding role of Chairman.

Council wishes to sincerely thank Geoff for his leadership, the work on the new targets completed prior to our Queens and his work on our successful grant application for artificial grass on the three remaining mounds. We wish Geoff well for the future and hope he continues to enjoy his chosen sport as a competitor.
