VRA Annual General Meeting Postponed

I am sorry to have to inform VRA members that due to a technical non-compliance with our VRA Rules, the Annual General Meeting of our Victorian Rifle Association scheduled for Saturday afternoon has been postponed. A new date for our VRA AGM will be announced this coming Saturday.

Be assured that our DRA Teams and Champions competitions are still on this weekend; it is only the VRA AGM component which is being postponed.

Council apologises for any inconvenience that this may cause to our VRA members. The formal meeting will be replaced with a brief information session for members.

Afternoon Tea to honour our Bisley Champion, James Corbett

All VRA members are invited to an afternoon tea this coming Saturday after our DRA Teams shoot to honour James Corbett of the Benalla Rifle Club for his magnificent achievement in winning the 2013 Bisley Queens in England.

The celebration will include a small presentation to James and a video of the Bisley ceremony.

Yours Sincerely

Geoff Evans
