It's your VRA

# From the VRA Council

Go Day VRA Members

Thanks to the wonderful generosity of the Werribee Rifle Club, the VRA is now the proud owner of a custom built shooting bench.

The VRA Council recently resolved to make this bench available for use at our upcoming Syme and Queens from 17<sup>th</sup> to 21<sup>st</sup> April. The bench will be set up by range staff at each range and will come with a height adjustable stool. Shooters who normally use a bench can choose to use this bench rather than bringing their own and setting it up themselves at each range. I stress that this is optional, you are still free to bring your own bench if you prefer.

Bench shooters using this bench will be squadded on the one target and will draw for position as per normal. The bench will move across the range in sync with prone shooters and allowances will be made for the fact that one shooter will need to vacate the bench before the next shooter sets up. If you wish to use this bench, please highlight this fact when you enter.

Good shooting everyone.
